

WINTER 2016 / 2017

A LETTER TO OUR WARM FRIENDS

Harrington Oil Inc.

752 MAIN ST, HOLDEN, MA 01520 *** 508-829-0044 *** www.harringtonoilinc.com

HEATING OIL SOLUTIONS!

MESSAGE FROM THE BROTHERS

After a warm winter last year, the Farmer's Almanac is predicting a cold snowy winter for this year. You can rest easy knowing Harrington Oil is ready, willing and able to keep your home warm this winter. We have recently added a 5th oil truck to our fleet to insure there is no interruptions in our delivery service.

We continue to look for ways to improve our service and services. We now offer a Deluxe Service Policy which covers the water parts around the boiler. We have also added the TankSure Program this year which allows us the ability to ultrasonically test your oil tank and offers coverage if your tank needs to be replaced. For customers with a Service Policy, we have included the tank coverage increasing the value of your Service Policy, but not the cost. Please call the office if you wish to add or upgrade your Service Policy or if you have any questions at 508-829-0044.

We thank our many customers for their business and promise to do everything in our power to make their experience with Harrington Oil a positive and comfortable one.

FREE ESTIMATES ON NEW EQUIPMENT

This fall our service department has been extremely busy upgrading customers heating systems with new boilers, furnaces, water heaters and oil tanks. If your equipment isn't as reliable as it once was it may be time to think about replacing it with a new energy efficient system. Give our office a call at 508-829-0044 to set up a time to have our service technician stop over to give you a **FREE** estimate on upgrading your system. Check with your power company to see if you are eligible for any rebates or financing on new equipment.

ALL HEATING OIL IS NOT THE SAME

Harrington Oil has recently upgraded to a premium heating oil which only costs a fraction of a cent more but offers a carefully balanced group of active ingredients to help your heating system run cleaner. Heating Oil Plus helps reduce sediment build up that may already be in your tank, filters, pipes and nozzles, thereby reducing fuel related service calls. Our customers deserve the best and we aim to deliver it for them.

REFERRALS, KEEP 'EM COMING

We thank our many customers who have referred a family member, friend, co-worker or neighbor to us. A referral is the greatest compliment you can give us. We always try to treat our old and new customers well and its nice when you have the confidence in our abilities to recommend us to others. It can also be rewarding as we will credit your account \$50.00 for each new customer you refer to Harrington Oil. Thank you!

REMEMBER THE OIL DRIVER THIS WINTER

Please remember to keep the fill and vent pipes clear of snow. Also as the snow and snow banks start to build up keep a path clear to the fill pipes so our drivers can continue delivering safely and efficiently. Also if you have an air intake Power Venter or any other vents around your home remember to keep them clear of any snow.

WE GOT YOU COVERED

We offer 2 different Service Policies to cover your heating system. **The Standard Policy** covers your Annual Tune-up, all the parts on your burner and any labor connected to those parts. What it doesn't cover is any water related parts. **The Deluxe Policy** covers everything the Standard Policy does plus the water parts for your best coverage. Just added at no extra charge, both policies now include tank coverage to protect your oil tank.

Merry Christmas

Harrington Oil, Inc.
PO Box 563
Holden, MA 01520

WARM FRIENDS GIVING BACK

Harrington Oil will be collecting new hats, gloves, mittens and socks to donate to various charities. Collection times are 7:30am to 5:00pm from now until January 13th, 2017. If you have a charity close to your heart, let us know when you drop off. We love to hear suggestions.
